

## 2018-2019 TUITION PROGRAM

### DISCOVER MORE.

At Westside, we strive to do more, give more, and be more for our students, parents and community. We never want finances to be a reason any child misses the opportunity to deepen their faith while receiving an excellent education with unique opportunities.

### FOR LESS.

We believe in what God is doing at Westside and we want to share it with others! By sharing Westside with others your child could actually receive free tuition!

**FIRST:** We begin by offering new students a discount of \$1,000.00 their first year!

**EVEN BETTER:** Once your family has a student enrolled at WCS you are eligible to receive a \$1,000 discount for each student you refer that enrolls! For example: If you had one student enrolled and were to refer 2 families who each enroll 2 children, you would pay **NOTHING** for your student's tuition!

**THE BEST PART:** The new referred family will also receive a \$1,000 credit per enrolled student! Both you and the new family receive this credit annually until the referred students are no longer in the program! The new family referred will receive the referral credit instead of the new student credit since it has greater value.

### GIVE MORE.

Westside Christian School grew out of a love for our community. We truly want to share our mission with more families. Our business approach is no exception. You can donate your tuition discount to our financial assistance program to provide others with the opportunity to attend Westside Christian!
